

2023 TAM Conference CALL FOR AUCTION ITEMS

All proceeds benefit TAM and the services it offers its members.
Your support is greatly appreciated.

The silent auction opens on Wednesday, March 15th, at noon and closes Thursday March 16th at 4:15p.m. The live auction will take place Thursday night.

As always, we are looking for items that will intrigue “bidders”. Books, tickets to events, clothing, works of art, prints, pottery, and bottles of wine from one of our Tennessee wineries always bring in the votes. Weekend “getaways” including tickets to cultural attractions, hotel stays, and dinner at local restaurants are also quite appealing.

Please print and complete an auction registration form for each item and bring them to the conference with your auction items. An auction registration table will be near the conference registration at the hotel. If you plan to mail your items in advance, please contact Debbie Shaw at tnmuseums@gmail.com for address information.
